# Preview of funding period 2021-2027.

What can be expected

# Preview of funding period 2021-2027.

## EU Policy Objectives

- EU budget 2021-2027: 1.074 bn Euro
- Green Deal: 2021-2030, 1.000 bn Euro
- Next Generation EU/Recovery and Resilience Plan: 672,5 bn Euro
- Just Transition fund: 2021-2027, 40 bn Euro
- SURE: starting 2020, 100 bn Euro

# Preview of funding period 2021-2027.

## EU Policy Objectives

Two major principles dominate all EU-funds starting with 2021:

- Green Transition
- Digital Transition and Productivity

# Preview of funding period 2021-2027.

## EU Policy Objectives

Green Transition - decrease of emissions by 55% until 2030

- Renewable energy, hydrogen, energy efficiency of buildings
- Sustainable mobility
- Circular economy
- Biodiversity
- Social fairness

# Preview of funding period 2021-2027.

## EU Policy Objectives

- A smarter Europe (innovative & smart economic transformation) – 35%
- A greener, low-carbon Europe (including energy transition, the circular economy, climate adaptation and risk management) – 30%
- A more connected Europe (mobility and ICT connectivity)
- A more social Europe (the European Pillar of Social Rights)
- A Europe closer to citizens (sustainable development of urban, rural and coastal areas and local initiatives)

## Preview of funding period 2021-2027.

### EU Policy Objectives: **What can not be financed**

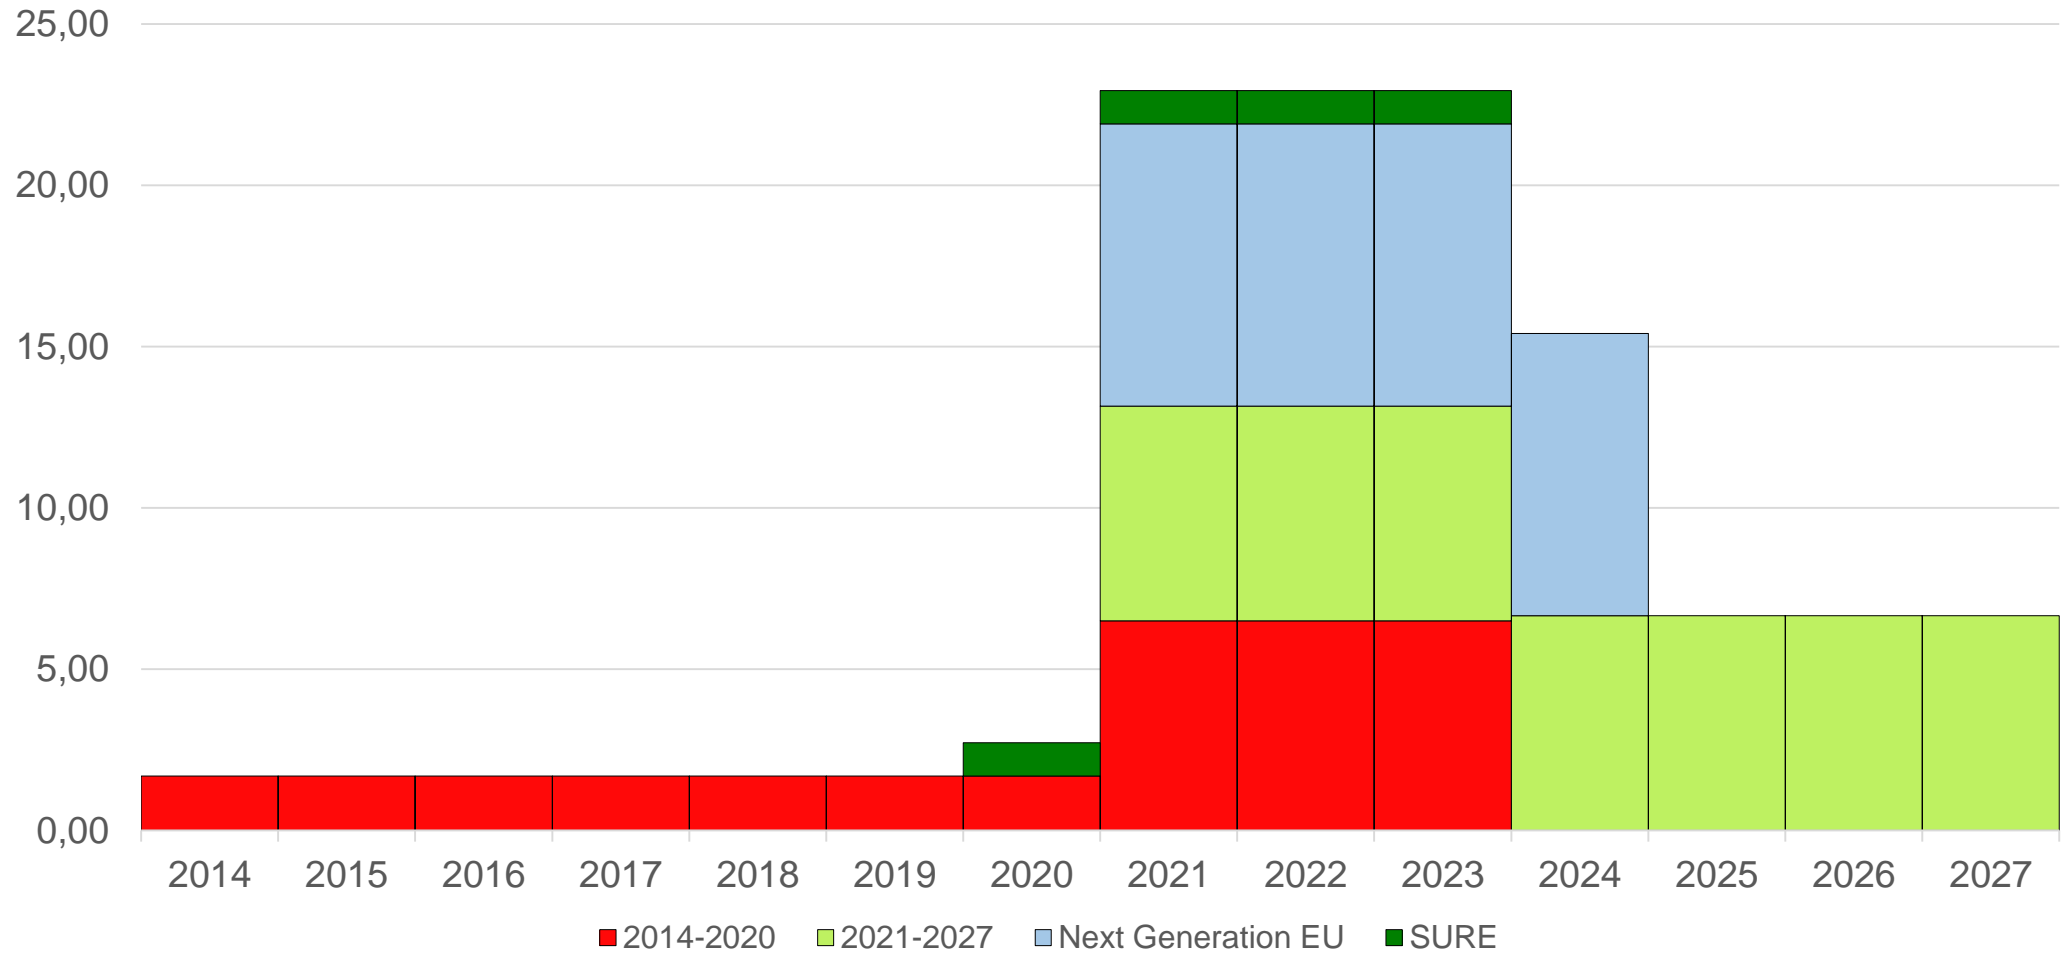

- Disposal of waste in landfills; facilities for the treatment of residual waste;
- Production, processing, distribution etc. of fossil fuels, with the exception of investment related to clean vehicles;
- Direct payments to large companies;
- Airport infrastructure except for outermost regions;
- Rolling stock for use in rail transport
- Broadband infrastructure in areas with at least two broadband networks of equivalent category;

## Preview of funding period 2021-2027.

### How much can Romania receive from the EU

- Regular budget 2021-2027: 46,6 bn Euro
- Recovery and Resilience („Next Generation EU“): 30,4 bn Euro
- Just Transition: 3,3 bn Euro
- SURE-Program: 4,1 bn Euro (loan)
- Green Deal

## Absorption EU-Funds 2014-2027

# Preview of funding period 2021-2027.

## Romanian Recovery and Resilience Plan

- Deadline for presenting programs is 30.4.2021, financing contracts for projects have to be signed until 31.12.2022
- First Romanian proposal contains following relevant points:
  - Production support, transport, energy distribution from renewable sources, investments in production capacity for the transition from solid fuel to transition fuel, investments in green technologies for the SME sector – 500 mil Euro.
  - Alternative management systems of domestic wastewater for agglomerations less than 2,000 inhabitants - 500 mil Euro.
  - District heating systems (including from renewable energy): 550 mil Euro.

# Preview of funding period 2021-2027.

## Regular Budget 2021-2027: Programs
